WORDS BY ERICA GUY

Drake's clothing brand OVO, October's Very Own, released Nightmare on Elm Street-inspired collection just in time for Halloween. Featuring the classic horror icon Freddy Kreuger, the collection was made available for purchase on OVO's website on the 19th.

Prices range from \$168 for a Freddy Kreuger hockey jersey to \$68 for the long sleeve Nightmare on Elm Street graphic. Now, if Freddy's not your vibe Drake's still got you covered.

Maybe this 'Halloween Gang' long sleeve is more your speed if you're still trying to rep OVO. The collection also contains classics like the owl sweatshirts but this time they glow in the dark, perfect for keeping Freddy out of your dreams. As well as 'Halloween Gang' t-shirts which, at the time of writing this are already sold out.
